Tools: Microsoft Office Suite (Advanced Excel, Word, PowerPoint, Outlook), SAP, QuickBooks, Tally, Tableau, SQL, Python, Query Development & Data Extraction.

PROFESSIONAL EXPERIENCE

Manager, Audit & Consultancy Dec 2023 – Jul 2025
SP Chowdhury & Co., Chartered Accountants, Dhaka, Bangladesh

- Audited purchasing, accounts payable, and inventory controls, validating vendor invoices, timesheets, and labor hours against contract terms, purchase approvals, and supporting documentation, and flagging discrepancies for resolution.
- Directed and mentored audit teams across concurrent engagements, managing multiple priorities and coordinating with firm partners and client management to resolve complex financial reporting issues and discrepancies.
- Performed quality assurance and quality control (QC) reviews of audit documentation, verifying accuracy, completeness, and compliance with professional standards to strengthen audit quality and consistency.

Manager, Financial Planning & Analysis (FP&A) Aug 2018 – Nov 2023
Sajida Foundation (*a $300M mission-driven financial services and healthcare group*), Dhaka, Bangladesh

- Tracked program, project, and capital project costs against approved budgets and grant and donor funding limits; reviewed eligible and ineligible costs, prepared funding requests, drawdowns, and reimbursement claims, tracked final invoices through project closeout, managed cost allocation across programs, and supported funding agency and external audit requests.
- Performed funding and account reconciliations within month-end close; proposed, tested, and implemented reporting and process improvements that reduced close and reporting lead time 67%, from 15 days to 5.
- Built financial models for interest rate, loan growth, and liquidity scenarios; raised and structured $260M+ in institutional loans, private bonds, and a syndicated facility, and prepared loan disbursement documentation and periodic lender reports.
- Coordinated with Treasury, Legal, and program leads to align liquidity strategy with growth plans and funding requirements.

Finance Manager-Budgeting & Forecasting Mar 2014 – Jul 2018
BRAC (multinational development organization, billion-dollar portfolio), Dhaka, Bangladesh

- Led annual budgeting and forecasting for a billion-dollar portfolio across 100+ programs, enterprises, and subsidiaries; tracked actual costs against planned budgets, analyzed variances, and reported cost and forecast updates to executive leadership and the board.
- Optimized fund utilization across idle cash and loan funds to generate $7.7M average annual income.
- Recommended and implemented tax and VAT planning improvements that reduced annual costs by $4M while maintaining full compliance and documentation.

PROFESSIONAL CERTIFICATION

Certified Public Accountant (CPA) Candidate, Illinois
• National Candidate ID: 1208781; Passed FAR, REG, TCP & AUD, covering U.S. GAAP financial accounting and reporting, and U.S. federal taxation.
Fellow Chartered Accountant (FCA), Institute of Chartered Accountants of Bangladesh (ICAB)
